N° 223 – January, 2022

Greetings from Plestin

Dear friends of Launceston,

All the members of the committee of Plestin join me in sending you all our best wishes for health and happiness for the year 2022.

We thank you for the gift, a shrub, that you gave us in 2021. We chose a magnolia tree, because it is the symbol of fidelity and we symbolically planted it at the beginning of the year. This shrub carries a positive message, full of strength and cheerfulness.

The sanitary context imposes us once again, not to be able to come and meet you next April. We are still hopeful and plan to come to Launceston next October (around the weekend of October 23).

Finally, we still hope to be able to install your red telephone box for the Launceston area.

Best regards.

For the committee of Plestin - *Bruno*

French film night: Tuesday, 22nd February
Trethorne, from 6.30pm onwards and 7pm start of the food

A wildly funny and passionate tale

L'arnacoeur (English title: **Heartbreaker**) is a stylish and charming romantic comedy made in 2010.

Alex is a charming, funny and effortlessly cool professional break-up artist with just ten days to sabotage the relationship of a seemingly perfect couple. But with one of his targets, the beautiful, feisty and independent Juliette, will he find that when it comes to love the perfect plan does not always exist?

Starring *Romain Duris*, *Vanessa Paradis* and *Andrew Lincoln* and set to an amazing soundtrack, **L'arnacoeur** is a wildly funny and passionate tale that will leave you on a tantalising high.
